WHAT IF WE SHARED this simple, beautiful, Biblical truth with our children from the youngest of ages—how different would we be? How wonderfully could this shape our perspectives from childhood on, knowing that the God who made all the wonders in creation—who hung the stars in the sky, who tells the wind where to blow—knows *your* name and loves you oh so very much?

From #1 *New York Times* bestselling author and TODAY show co-anchor Savannah Guthrie, this beautifully illustrated picture book showcases the wonders of nature, the beauty of God's creation, and most importantly, how very loved you are by God, and how in turn, you can share that same love by being kind and compassionate to others.
